1. Getting Started

FleetCo public website — platform tour and client portal entry

Visit <https://fleetcomanagement.org> and click **Client Portal** or go to `/login`.

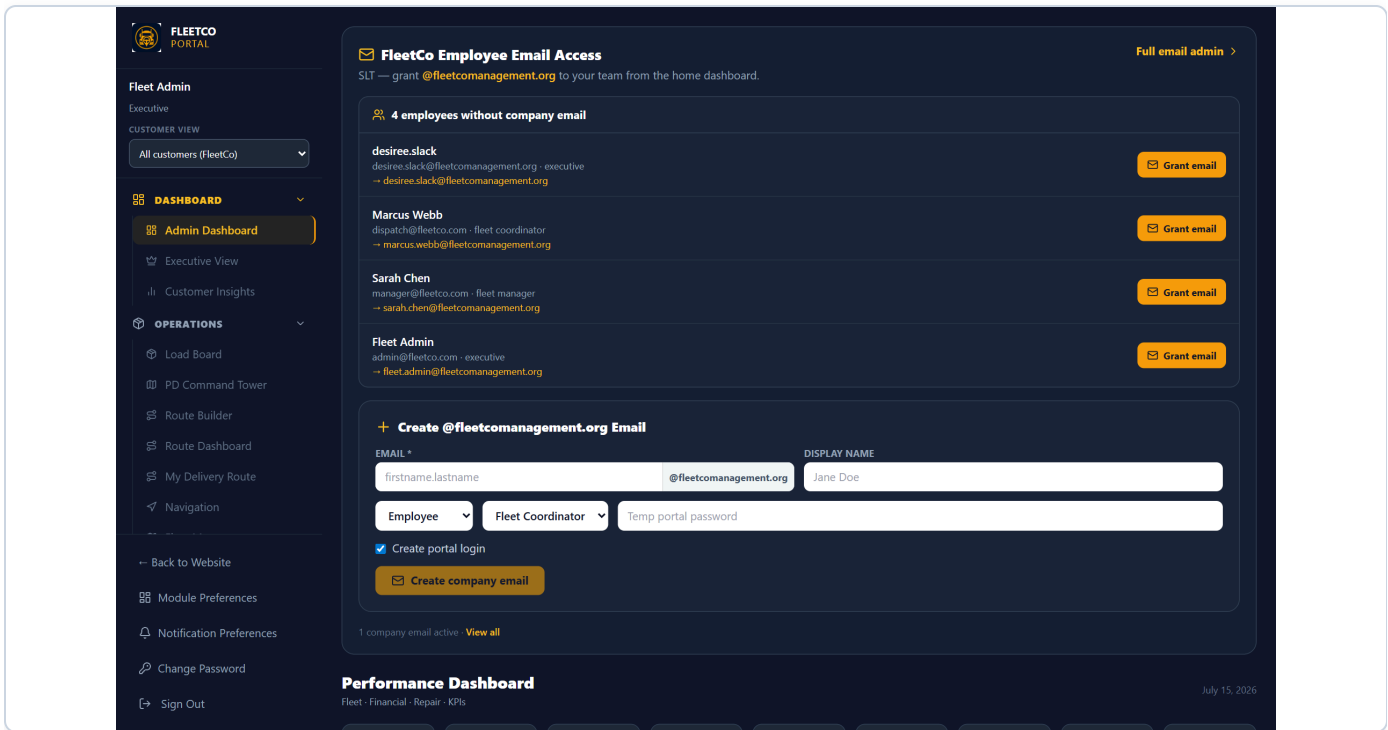

Login screen — use your email and password from your administrator

1. Enter email and password from your administrator.

2. Set a new password on first login (8+ characters).
3. You arrive at the dashboard with the sidebar on the left.

Bookmark the portal. Press **Ctrl+Shift+R** after platform updates.

2. Dashboard

Admin dashboard — KPIs for fleet, loads, fuel, and maintenance

The dashboard shows fleet KPIs: active vehicles, loads, fuel spend, maintenance due, and compliance alerts.

Customer view (FleetCo staff): use the dropdown under your name in the sidebar to preview a customer's scoped data.

Executive view: `/portal/executive` · **Customer Insights:** `/portal/customer-insights`

3. Fleet Units & Vehicle Specs

Fleet
8 vehicles · 4 trailers

+ Add Trailer + Bulk Upload + Add vehicle

Vehicles 8 Trailers 4

Search by unit #, make, model, VIN...

Unit #	Year	Make	Model	Status	VIN	Plate	Odometer
Unit #T-401	2024	Freightliner	Cascadia	Active	3AK3HEDRBS123456	CO-PT401	28,400 mi
Unit #T-301	2021	Mack	Anthem	Active	1M1AX07Y9P1123456	TX-GCL301	245,800 mi
Unit #T-202	2022	Freightliner	Cascadia	Active	3AK3HEDRBS123456	IA-MWH202	156,300 mi
Unit #T-203	2019	International	LT	Active	3HSDZAPR4K123456	IA-MWH203	421,500 mi

Unit #T-101	2022	Freightliner	Cascadia	Active	1FU3GHDV81L123456	TX-FLT101	125,400 mi
Unit #T-102	2021	Kenworth	T680	Active	1XKYDP9X8P1123456	TX-FLT102	198,750 mi

Fleet Units — manage trucks and trailers; open Specs & Parts on any unit

Path: `/portal/fleet` . Manage trucks and trailers.

Add a vehicle

1. Click **Add Vehicle** or **Add Trailer**.
2. Enter unit #, make, model, year, VIN → **Decode VIN** for NHTSA specs and recalls.
3. Save and assign driver/customer as needed.

Specs & Parts (on each unit card)

Click the amber **Specs & Parts** button for tabs: Specs, Recalls, Parts (inventory + RockAuto link), Service Tasks (AutoZone guides), Equipment (crane/welder serials).

Also use **History**, **Docs**, and **Manuals** on each card.

4. Maintenance & Work Orders

The screenshot displays the 'Preventive Maintenance' section of the FleetCO Portal. On the left is a dark sidebar with the 'Fleet Admin' header and a navigation menu including 'Executive View', 'Customer Insights', 'Dashboard', 'Operations', and utility links like 'Back to Website' and 'Sign Out'. The main content area is titled 'Preventive Maintenance' with the subtitle 'Schedule and track maintenance to avoid costly breakdowns'. It features four summary cards: '0 Overdue', '0 Due Soon', '1 Scheduled', and '0 Completed'. A search bar and a status filter are positioned below these cards. The maintenance schedule list shows two entries: 'PM-A' for Unit T-101 (Freightliner Cascadia) with a 25,000 mi interval, and 'DOT Annual' for Unit T-203 (International LT). Each entry has buttons for 'Due Soon', 'Mark Done', and 'Edit'.

Preventive Maintenance

Schedule and track maintenance to avoid costly breakdowns

Bulk Upload
Schedule PM

0 Overdue
0 Due Soon
1 Scheduled
0 Completed

Search by vehicle or service type... All Statuses

PM-A
Unit T-101 - Freightliner Cascadia
Interval: 25,000 mi
Due Soon Mark Done Edit

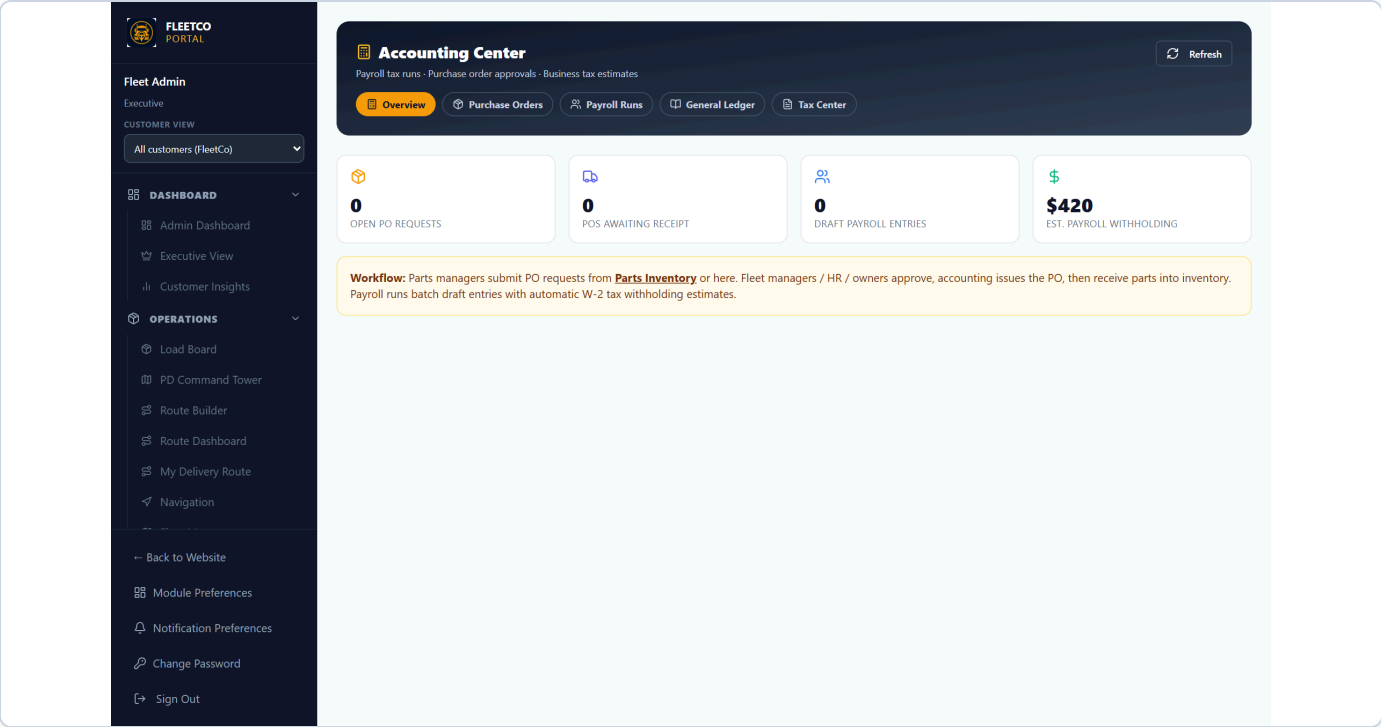

DOT Annual
Unit T-203 - International LT
Scheduled Mark Done Edit

Preventive maintenance schedules

- `/portal/maintenance` — PM schedules by date/mileage
- `/portal/workorders` — repair jobs with tasks and parts
- `/portal/calendar` — calendar view
- `/portal/service-templates` — reusable task checklists

Serial / Warranty — find equipment by brand and serial number.

6. Accounting Center

Accounting Center — POs, payroll runs, general ledger, 1099

Tab	Purpose
Purchase Orders	Submit → approve → Issue PO & email vendor → receive into inventory
Payroll Runs	Import Time Clock hours → batch run → post (GL entry)
General Ledger	Chart of accounts + auto journal entries
Tax Center	Estimates + 1099-NEC CSV export

PO emails require RESEND_API_KEY on the server. Tax figures are estimates — use a CPA for filing.

7. Operations & Loads

The screenshot displays the FleetCO Portal's Load Board. On the left is a dark sidebar with the 'Fleet Admin' section containing 'Executive View' and 'CUSTOMER VIEW' (set to 'All customers (FleetCo)'). Below this are sections for 'DASHBOARD' (Admin Dashboard, Executive View, Customer Insights) and 'OPERATIONS' (Load Board, PD Command Tower, Route Builder, Route Dashboard, My Delivery Route, Navigation). At the bottom of the sidebar are links for 'Back to Website', 'Module Preferences', 'Notification Preferences', 'Change Password', and 'Sign Out'.

The main content area is titled 'Load Board' and shows '5 loads'. It features a search bar and a status filter set to 'All Status'. Five load cards are listed, each showing a load ID, status, category, pickup/delivery dates, distance, and revenue per mile. Each card has three action icons: a truck, a document, and a trash can.

Load ID	Status	Category	Pickup Date	Delivery Date	Distance (mi)	Revenue (\$/mi)
#LD-88424	in transit	Retail	2026-07-10	2026-07-12	520	\$1,650 (\$3.17/mi)
#LD-88425	delivered	Automotive Parts	2026-07-05	2026-07-07	450	\$2,100 (\$4.67/mi)
#LD-88423	booked	Building Materials	2026-07-13	2026-07-15	1175	\$3,400 (\$2.89/mi)
#LD-88422	delivered	Food Grade	2026-07-08	2026-07-09	320	\$1,200 (\$3.75/mi)
#LD-88421	in transit	General Freight	2026-07-11	2026-07-13	780	\$2,850 (\$3.65/mi)

Load Board — create and assign freight

Create loads, assign driver/truck/trailer, track status. Also: PD Command Tower, Route Builder, Fleet Map, Yard Management.

8. Drivers & Time Clock

`/portal/drivers` — roster and scorecards.

`/portal/timeclock` — clock in with vehicle selection; hours import into Accounting payroll.

`/portal/payroll` — individual pay records; use Accounting for batch runs.

9. Reports

The screenshot displays the FleetCo Reports Center interface. On the left is a dark sidebar with the 'Fleet Admin' section containing 'Executive' and 'CUSTOMER VIEW' (set to 'All customers (FleetCo)'). Below this are expandable sections for 'DASHBOARD' (Admin Dashboard, Executive View, Customer Insights) and 'OPERATIONS' (Load Board, PD Command Tower, Route Builder, Route Dashboard, My Delivery Route, Navigation). At the bottom of the sidebar are links for 'Back to Website', 'Module Preferences', 'Notification Preferences', 'Change Password', and 'Sign Out'.

The main content area is titled 'Reports Center' and includes a sub-header '29 reports — download Excel or CSV - read-only (no data or logins modified)' with a link to 'Excel (xlsx) - CSV (csv)'. It features a search bar and filters for date ranges (07/01/2026 to 07/15/2026) and time periods (This Month, Last 30 Days, Last 90 Days, This Year, All Time). The current date range is '2026-07-01 -- 2026-07-15' for 'All customers'.

A 'Customer scope' section allows pulling data from all customers or selecting specific accounts. Below this are category filters: All, Analytics (4), Financial (6), Operations (3), Fleet (6), Compliance (6), and CRM (4).

The reports are organized into two main categories: 'FINANCIAL' and 'OPERATIONS'. The 'FINANCIAL' category includes: 'Revenue Summary' (All paid invoices with totals, customer, and date), 'Invoice Aging Report' (Outstanding invoices by status and days overdue), 'Fuel Cost Report' (All fuel purchases by vehicle, date, gallons, and cost), 'Fuel Cost Per Vehicle' (Monthly fuel spend totals ranked by vehicle), 'Payroll Summary' (Driver payroll records with gross, deductions, and net pay), and 'Fleet P&L Summary' (Revenue vs fuel + repair costs per vehicle with margin %). The 'OPERATIONS' category includes: 'Load Summary Report' (All loads with origin, destination, status, rate, and miles), 'Load Revenue by Driver' (Revenue generated per assigned driver across all loads), and 'Driver Performance Report' (Loads completed, miles driven, and revenue per driver).

Each report card provides options to download in Excel or CSV format and a 'Customize' button.

Reports Center — Excel/CSV exports and master data workbook

Download Excel/CSV per report or run the **FleetCo Master Data Export** (multi-sheet workbook). FleetCo staff can scope by customer via the view switcher.
